Shibaura Shibako

Ichino's classmate

- Extremely blunt and unsoccable, she's hard to understand.
- She does things like play handheld games all the time.
- Looks like she doesn't take classes seriously.
(In gym, she insists that it's "that" and skips out, a truly troubled girl)
- Her charm point is her glasses...
- She's indifferent about everything. Even to a talking cat, she's indifferent?
- She's really a mysterious character, has a sharp tongue, and tells dirty jokes.
- When angered, she is very scary, spiteful, and unapologetic.
